4 Everyone can FIND

Whether you are searching for coins, jewellery or treasure. Discoveries are right beneath your feet with audio & visual alerts. It's that simple.

A coin will produce
Green LEDs
High tone beeps

A nail will produce
Red LEDs
Low tone beeps

Green LEDs indicate non-iron metal (silver)

Red LEDs indicate iron target (nail)

Visual icon flashes detected target

High tone for high value metal target

Low tone for iron target
